Ciel d'Afrique

SINCE 1990 | BALLOONING OVER MOROCCO

WELCOME IN THE MOST BEAUTIFUL AFRICAN SKY

OUR SOCIAL RESPONSIBILITY

We built our outdoor excursions since 26 years in a rural area with local inhabitants and we are participating in improving their living conditions in a dry and difficult environment, by giving them a sustainable job and by investing into necessary equipment for the Oulad El Garn village where most of the people do live from the Hot Air Ballooning activity. Flying with Ciel d'Afrique is also a direct contribution to the living of the local population, for their medical coverage, education of the kids and improvements of the infrastructures of this zone.

Since 1990, our hot air balloon company is the reference for exceptional active outdoor excursions from Marrakech.

We almost promise you the moon, with an unforgettable experience : discovering fabulous Morocco from a hot air balloon. depending on the weather, you will appreciate a prime view on the most beautiful sites of the country (desert, villages and berber oasis, mountains and deep valleys ... a unique feeling in the moroccan azure.

Either with classical package, VIP, Exclusive or "à la carte", discover our different services, and live a pure new adventure travelling in a hot air balloon, with our experienced pilots, and with all guarantees of comfort, security and wonderment.

A deposit of 15% of the total price is mandatory to confirm the booking at Ciel d'Afrique.

ON THE DAY OF YOUR FLIGHT, TRANSPORTATION TO THE AIRFIELD

The 4x4 with maximum 4 passengers is waiting for you at your place of residence early morning. The drive is also going to an off road part.

WELCOME TO CIEL D'AFRIQUE AIRFIELD

A good moroccan tea is served upon arrival. The Hot Air Balloon flight is only possible early morning for the safety of your flight. Before your balloon will be ready, you can attend closely to the quick preparation of all the balloons up they will be waiting for the take off.

BOARDING

Once placed in the basket, you will be given a security briefing. Then you will fly for about 1 hour, with a first part at high altitude to get a full panorama view on the whole region (according to weather conditions), then a second part at low altitude to get a close view on the typical villages, Jbilet mountains, farm animals, wildlife.

BREAKFAST

Pick by the pursuit 4x4 after the landing, welcome to the caïdale tent for a typical berber breakfast prepared by the women of the Douar (Village) of Oulad El Garn (except for ROYAL Flight as the breakfast is served in the sky). You are granted with a flight certificate, have access to the Air-Shop and then given a drive back to your place of stay.

A TEAM OF EXPERIENCED PROFESSIONALS AT YOUR SERVICE.

All our Pilots are expert professionals very experienced.

The Founder of Ciel d'Afrique is a Hot Air Balloon Pilot since 1982. He did fly on almost anything existing including fighters. He is an official Pilot for a Leading Multinational Corporation sending him over all african continent to fly its advertising balloons.

According to your day of flight, you will be under his care, or Hicham, Jacques or Daniel.

WHAT WE DO GUARANTEE.

A Hot Air Balloon Flight needs a serious organisation and strict respect of the rules.

Ciel d'Afrique is flying over Morocco since 1990, and we certify the excellence of the Air Operation with our Company.

- Our Activity is under the control of the Air Authority DAC (Direction de l'Aviation Civile).
- We do go through control visits (CDN - Navigability Certificate for each of our balloons) every 6 months, and we do follow a strict maintenance plan more demanding than what is requested by the Manufacturer.
- We have a CTE (Technical Certificate for Air Operations) updated allowing us to transport paying passengers.
- All our Pilots have a valid european licence and certification to be allowed to fly over Morocco delivered by the moroccan DAC (Direction of Civilian Air Authority).
- We deliver every evening a flight plan for the next morning, and we are in constant radio contact during the flight with the Control Tower of the Marrakech Airport.
- At last, all our insurances contracts are up to date of payment and validity for each of our Hot Air Balloon.

Ciel D'Afrique is at your service to build for you special events according to your request up to your specific and corporate needs.

SPECIAL EVENTS, SEMINARS.

GROUPS FROM 10 TO 102 PERSONS

For seminars, congress or incentives, team buildings of board meetings, for families and friends holidays, weddings or celebrations, we suggest you to fly high and share all together the pleasure of this unforgettable experience.

Please contact us for any request.

MEDIA PROFESSIONALS

Involve us for your advertising shootings, movie and television programmes, press and fashion photo shootings. Ciel d'Afrique is experienced and very regularly requested for TV and Cinema film making, for destination media coverage on different regions of the Kingdom.

Our team is flexible with your needs and requests, up to the security of passengers, team and ground installations. Please let us know about your project.

WHO'S YOUR PILOT ?

Maurice OTIN
Pilot

Daniel PENET
Pilot

Hicham ZRIKEM
*Chief Pilot
& Instructor*

Jacques TRIQUET
Pilot

Maurice, the Founder of Ciel d'Afrique «African Sky», has gathered around him year after year experienced Pilots as passionate as himself with hot air balloons. You will certainly fly with one of them.

The Chief Pilot Hicham is the first ever instructor in the history of aviation in Morocco. He has an extensive experience on all types of balloons and is one of the 3 official Pilots of the "Mondial Air Balloon" (second most important balloon festival in the world). He was participating in the simultaneous take off world record with 433 balloons together. Daniel is certified

since 2015. Forever sporty and expert in mechanical sports, this Pilot brought his passion at the service of Ciel d'Afrique outdoor activities ! The Team is temporary completed by Jacques who has more than 26 years experience of hot air ballooning in France. By the way, he has his own company in France, the «Groupe France Aéro Montgolfières».
