Before you arrive!

WHAT TO PACK

Here at Kandima, we're lucky with warm tropiKal weather all year round and temperatures ranging between 28 - 32 degrees. We're also a very laid-back, kool resort so you won't need formal outfits - just relax and be yourself!

With that in mind, here's a few of the packing essentials:

- Light cotton garments/linen wear
- T-shirts and shorts
- Summer dresses
- Flip flops and sandals (girls - there is sand everywhere so no need to bring heels - it's far too challenging!)
- Swimwear: trucks and bikinis
- Sunscreen
- Mosquito repellent
- Toothbrush, toiletries and make-up
- Your Oh-so Kool sunglasses
- Hat
- A good hoilday book to read
- Go Pro or underwater camera (snorkelling equipment is complimentary so no need to bring with you)

IMPORTANT TO KNOW!

When visiting local inhabited islands or the capital city of Male', it is important to be mindful to dress conservatively as to respect the local culture and religious norms. Ladies are advised to cover their shoulders and thighs, and if visiting a mosque, it is customary to cover your hair as a show of respect.

Arriving at Velaana Int. in Male

The first thing to do when you walk out of those departure doors is to look out for our Kandima Airport buddy!
They'll be holding an Oh-so Kool sign just like this!

They'll then put you on your seaplane or domestic transfer to Kandima as soon as possible ready for your tropiKal island holiday!

So, what's the journey from Male

If you're taking the awesome experience of travelling by seaplane, you'll be flying low, just above the reefs and lagoons of the Indian Ocean straight to the Kandima jetty! It takes around 45-minutes.

For those hopping on a domestic flight, you'll also have a surreal view from high above the islands, flying over the most stunning turquoise waters until you reach Dhaalu Atoll airport. After this 25-minute journey, a boat will be waiting to take you straight over to the shores of Kandima where [#YourKindOfHoliday](#) will begin!

Once you've walked down our stylish jetty, seen the turquoise waters and had those butterflies of excitement in your stomach that you've landed at the coolest resort in the world – you'll 'rock in' to your studio/villa with help from our Kandima Buddies.

Later on, come to our "Get Kandimatised Presentation!" Join us for a Kandima cocktail, meet the Krew & get the full low down on everything you need to know about your tropiKal island (desti)nation!

Kandima prides itself of being responsible and part of that is using as little paper as possible. That's why you'll have #YourKindOfTV in your villa with all the information you need throughout your stay with us.
